And Then There Was A . . .

Faculty

Through all the years of its existence, Marian has been privileged to have a faculty and administration willing to devote time and talent to helping students mature gracefully. From the time a class enter the school as frightened freshmen until they leave as goal-oriented graduates, the students are aided by these concerned individuals in gaining a better understanding of and respect for the world in which they live. The guidance of such dedicated professionals plays an essential role in shaping the goals and developing the ideals of the student body.

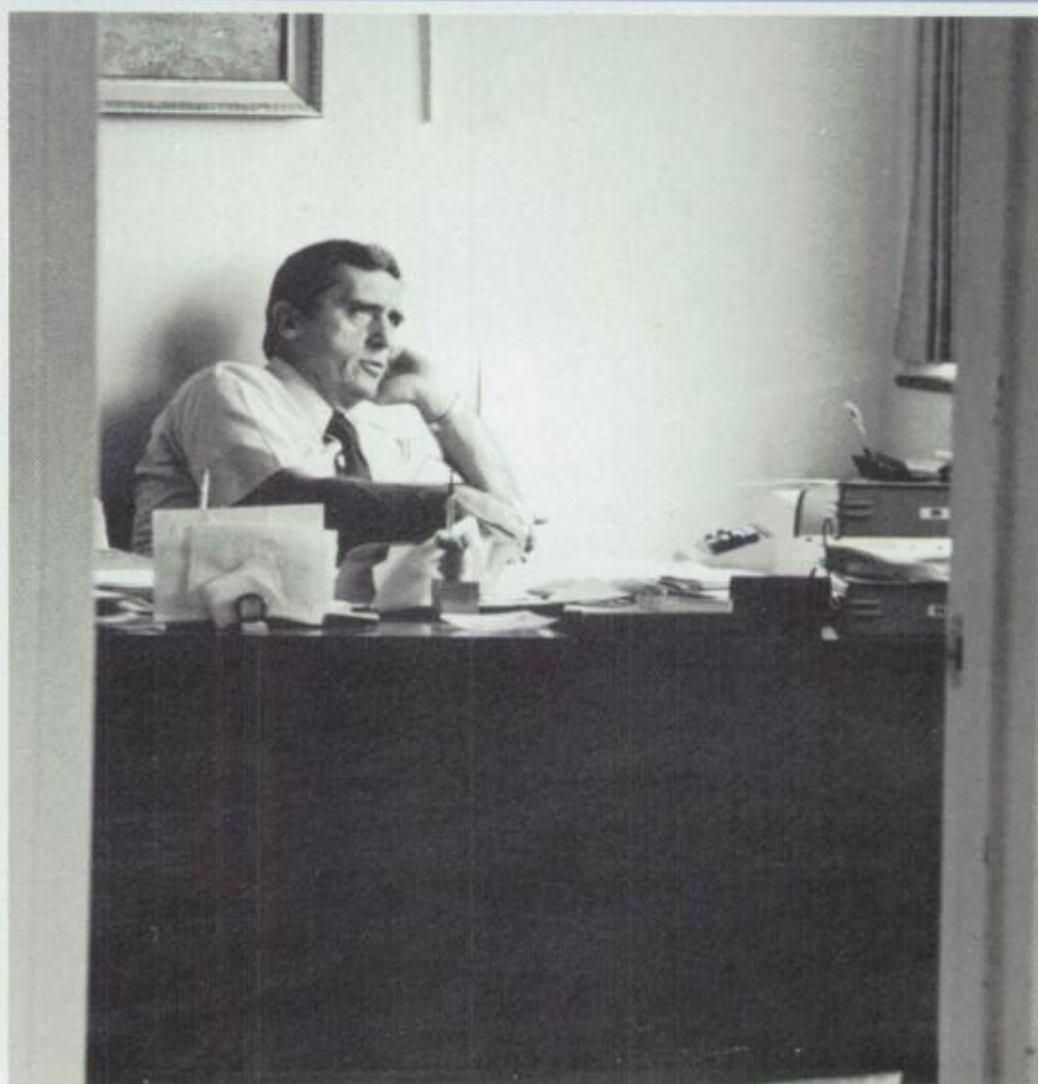

On August 23, 1964, Bishop Joseph McShea conducted the dedication ceremonies during which he called upon all in the Marian High School area to "make their new school the pride of the region." They have, and still are!

The present Diocesan Staff of the Department of Education includes the following members: (Seated) Sister St. Raymond, IHM, Elementary Education, Dr. James J. Cusimano, Superintendent, Rev. Michael Piovane, Religious Education, (Standing) Rev. Walter T. Scheaffer, Secondary Education, Sister Marianne Whalen, SSJ, Elementary Education, Sister Theresa Marth, MSC, Special Programs, and Rev. J. Richard Kelly, Religious Education.

In his two years as principal of Marian, Mr. Malarkey has demonstrated his great spirit and complete dedication to the school. He has given unselfishly of **his** time, **all** the time. Although his job is certainly not an easy one, he is never too busy to give a smile or to help with a problem. This is what it means to be a principal - not just giving orders, but being involved.

Activities

For the past twenty-five years, one very important aspect of Marian High School is the student involvement in extra-curricular activities. Marian has a variety of activities which enable students to demonstrate their talents, make new friends, and become a vital part of the Marian community. Through the students' participation in these activities, they develop a sense of dedication, responsibility, and cooperation. By taking part in some of the many activities here at Marian, each student has the opportunity to express his talents and abilities in the best way he knows how.

Ring Mass '77

The class ring symbolizes unity and faith that a class has in their community. On November 30, 1977 the class of '79 received their class rings at a Mass celebrated by Father Houseknecht, a former religion teacher here at Marian. The theme for the Mass emphasized "Faith" as that strong belief and fulfillment that each person must have in everything the Marian community stands for, to be worthy to wear a Marian High School Class Ring.

After the Gospel the rings were blessed and distributed by the homeroom representatives. At the sign of peace, all members of the class of '79 followed the custom of turning each other's ring. The students also exchanged the sign of peace with their parents.

It was a day that will be long remembered by the class of '79.

Prom '78

On May 5, 1978 a new chapter in Marian High School history was created - the Prom of 1978. The scene was totally different from that of previous years. Gus Genetti's of Hazelton was the host for this annual event. The Presidential Room of the prestigious complex provided ample room for the many guests.

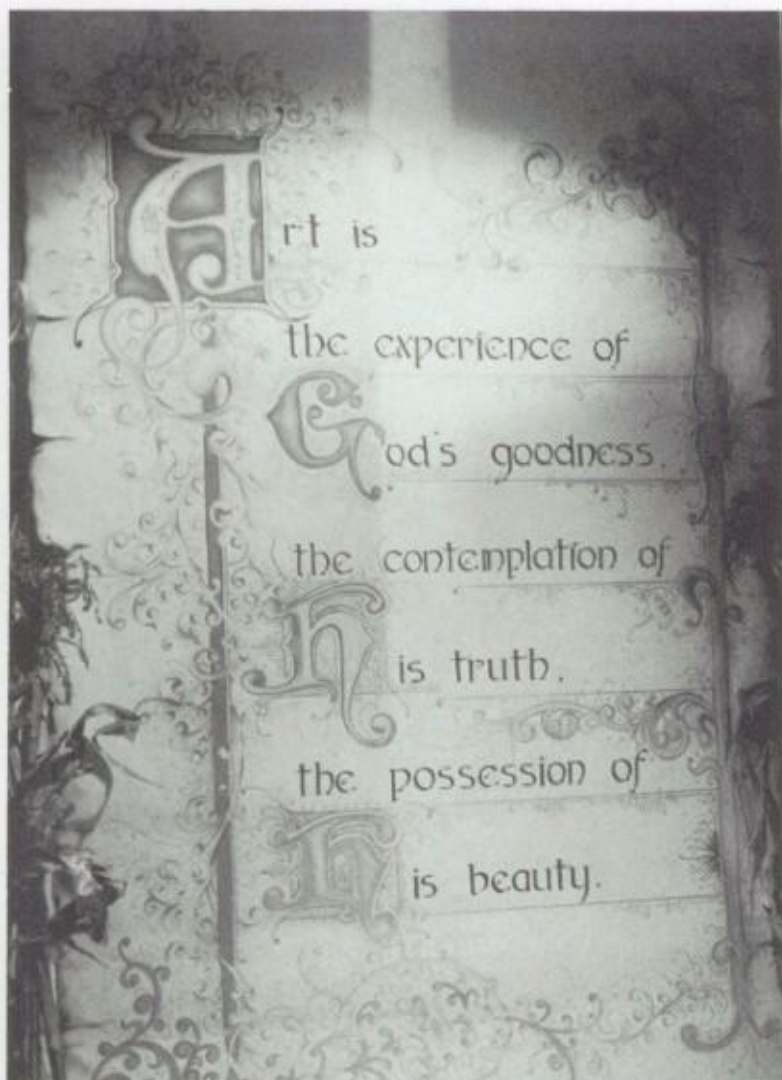

Anxious parents, close friends, and curious strangers jammed the main lobby waiting to take pictures of various couples on the classic staircase. Prom pictures were taken against a beautiful formal backdrop.

The group hired for the evening was "Museum", a band originating in Wilkes-Barre, well known to the Hazelton area. They provided a fine selection of both fast and slow music, easy to dance to and great to listen to.

The prom lasted from 9 PM to 2 AM at which time many of the guests departed. It was a night to remember for all those attending.

Senior Play '78

The 1978 Marian High School Senior Play was the musical comedy "Irene." After many long nights of hard work and practice, the play was ready for opening night on April 27, 1978. An excellent performance was given by all those who took part. The cast consisted of Irene, Sandy Minarchick; Donald, James Fauzio; Jane, Leanne Segilia; Helen, Lisa Procina; and Madame Lucy, Michael Olimpi. They were assisted by a fine supporting cast of singers and dancers.

Visiting the elderly, the mentally retarded, and those less fortunate than themselves is what the Youth Corps is all about. The pictures above depict the happy faces of the elderly at the Coal-dale Hospital, as well as those of the members themselves. These students not only do things for others, they also do things for themselves. While they are going places and entertaining others, they grow educationally, socially, and most importantly, spiritually.

ports

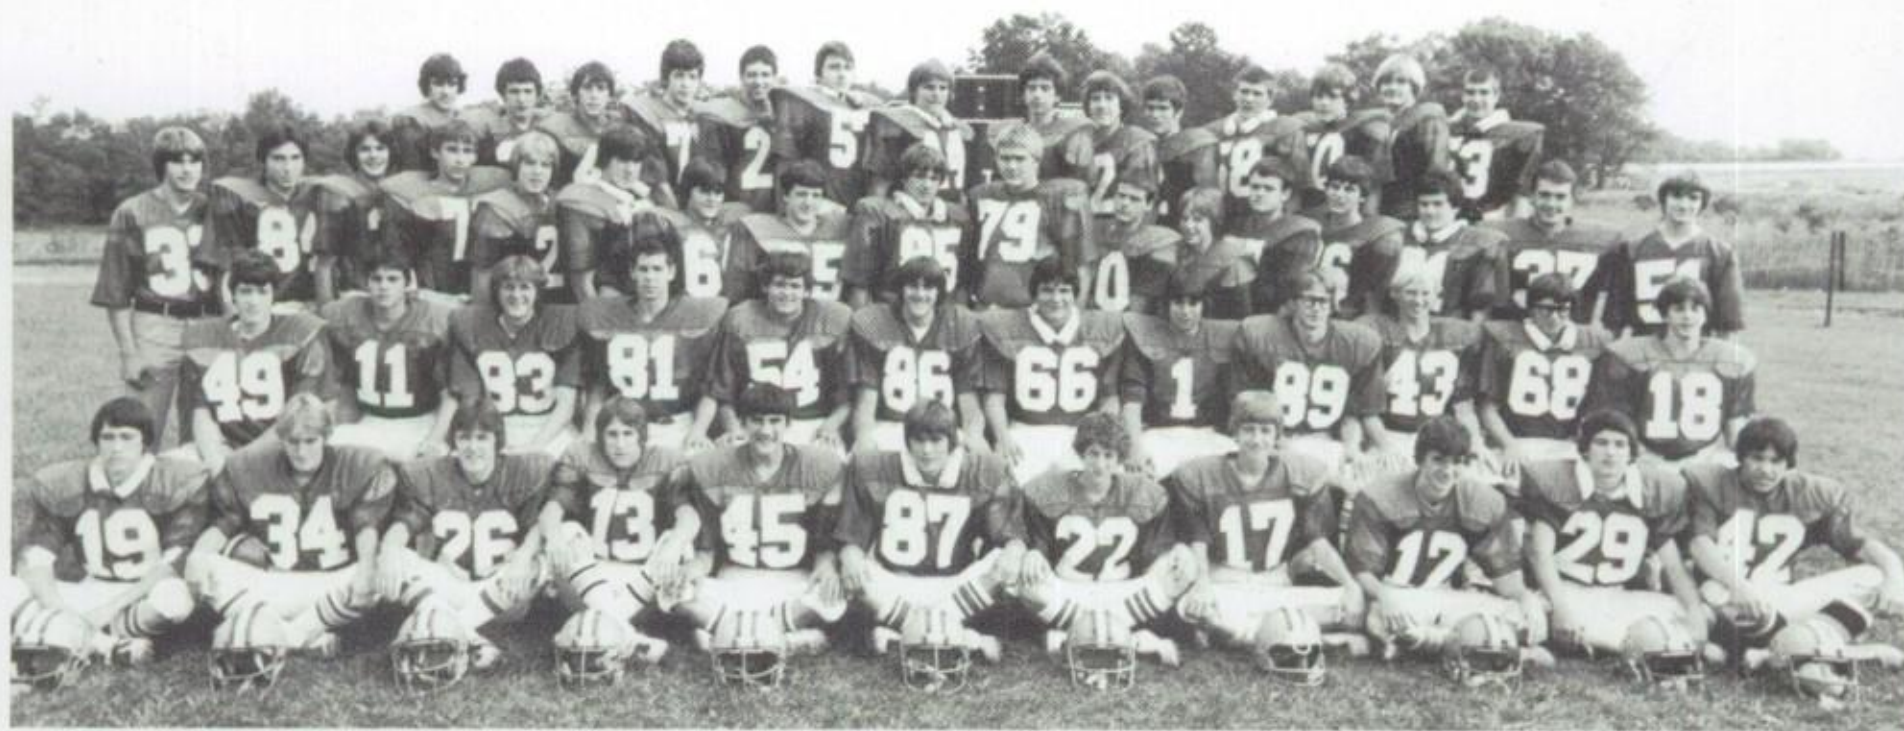

Through the past twenty-five years here at Marian we have found that "today" and "yesterday" were times of growth and expansion, not only in mind but in body as well. Participation in sports provides us with the opportunity for development in both these facets of education.

forget those beat band practices (I think
I'll just re-act yr. - there won't be any of
my friends in it!) Remember all of the
Noles' classes + my 'nice' notes to you!
H4H! H4H! Never forget those
times at dances, and over
at maies + up at the
KOA. I guess I'll miss
you pretty much - I don't have
a great friend
to tell you what
you're been
Take it
easy +
keep in
touch when
you're in
school
Love
Kate

Dear Diane,

I don't know where to begin. It is so hard to say what you really feel about your best friend. I hope you have a pretty good idea of school memories. You have given me a lot of school memories in a short time. You are a thoughtful and caring person, you are one of the very special people in my life. You have made my stay at Marian School more than I could have imagined. I hope we will be able to have a lot of good times after graduation. I'll really miss you when you go away to school and it's so hard to write than to say it so I'll be there. Good luck in the future you deserve it. I'll always be around when you need me.

P.S.

Have a good time when you go away to school and write me at least once a month. No wild and crazy parties unless you are invited.

Together
We have
Encountered
New things
Throughout our
Years here at Marian.

Forever these memories will
Intertwine
Very special
Elements of our future.

Finally, as we strive to achieve our
Ultimate end we will
Live each day to the fullest
Learning, caring, sharing, and remembering all of our
Yesterdays since we will always remember the way we were.

As we continue to grow, we will keep in mind all of the
Love we have experienced here and the very unique
Individuals who have touched our lives in some way. All of these
Very special people, places, and things will be a part of us throughout
Eternity because together we have learned so much more than words could
ever say . . .

*reality and your reality
is just one big dream.
Love ya

success of this yearbook.

*Diane
your one of the sweetest! Craziest girls I know.
Remember all the good times we had in
school, like Religion class, band practice
it was so exciting. you're one great person
that's sure to go far because so much is
on your side. Best of luck in everything
you do. Please keep in touch.*

*Love ya
Ellen*

Diane,
 What can
 I say, to some
 one who has al-
 ways been there when
 I needed you. We've
 gone through a lot together.
 Most of all, fun, and
 been all the good times from 8th
 grade to lunch senior year and
 of course all those times on the bus.
 Lots of love goes with you in your car!
 future years. Keep on
 and behave. Love
 Cindy

Diane,
 You're a really
 nice girl and I'm glad
 I got to know you. But
 enough to know you. (Only kidding)
 We had a really good time
 all year especially in Physics.
 Always remember the great times
 we had at play practice (love-
 bones, etc.) You better keep in
 touch after graduation or else I'll
 take Bunny and his horses and drag
 her through the streets!
 Keep Smilin'
 Luw,
 Adriana

Diane, really
 you're really
 a different kind
 of person but your
 personality is great.
 You deserve the best
 at life so don't stop
 a good Dolly w/a really
 singing voice. Remember
 our four great yrs. at
 Mahan but esp. remember
 me. Love & luck. Take
 care & keep out of trouble
 Please Keep in Touch
 Love
 Karen

To a really neat and
 humorous girl I had
 the pleasure of knowing
 for all the love, luck,
 and success the world
 has to offer. Remember
 all those crazy things
 we did senior play & the
 party afterwards but most
 of all, remember me say
 I'll always remember you.
 Love
 Karen
